If you do not wish to valet park, the Patient/Visitor's Parking Structure is labeled "PARKING A" and two entrances are available immediately following the Valet Parking turn in.

2. Directions to Rehabilitation Engineering once you are in the hospital (maps of hospital follows).

Refer to the maps below, it will make these directions more clear.
If you valet park, you enter the hospital on Floor 1 of University Hospital.
If you park in Parking Structure A, take the parking structure elevator to Floor 1 and to enter the hospital.
Referring to the map of Floor 1 below, make your way to the Welcome Desk (marked "1").

Option 1. We will meet you.
Ask the Welcome Desk staff to call Rehab Engineering (at 6-7170) and one of our staff will meet you there.

Option 2. Directions to find your way.
Turn left down the long hallway and take the East Elevators (across from the red pillar for Outpatient Surgery).
Take the Elevators to Floor 2.
(Now refer to map of Floor 2)
Once off the elevators, you will immediately find a long hallway.
Turn left down the long hallway and go past the cafeteria.
Keep going (you will see the courtyard out the window on your left).
Immediately after the courtyard, turn left towards the Med Inn.
Proceed down this hallway.
The Med Inn lobby will be on you left (it is carpeted).
You will two elevators.
Take either one to Floor 6.
Rehab Engineering is right off the elevator on Floor 6 to your left.

3. What to do if you get lost.

All hospital staff wear yellow badges. Please feel free to approach any one of them and ask for help.
There are house phones throughout the hospital. Dial 6-7170 to reach us and we will meet you wherever you are located.
On every floor, there are information centers. Please feel free to use them to get help or to have them call us.
