Barr Foundation Amputee Assistance Fund
http://www.oandp.com/resources/organizations/barr/fund/

This Fund will pay for materials and fitting of a new prosthesis up to the schedule after financial need has been established by the Prosthetist. Details are listed in the Barr Foundation Amputee Assistance Fund Guidelines. The amputee and the Prosthetist complete an application form which are then reviewed and verified. The approval process takes approximately 4-6 weeks. It is suggested that the amputee be evaluated by the Prosthetist that may be sponsoring him/her, prior to them requesting an application in the amputee's name. Please provide the Prosthetist with the amputee's name, address, date and level of amputation and telephone number. The Prosthetist considering sponsorship must request the application directly by calling 561-391-7601.

Limbs For Life Foundation
http://www.limbsforlife.org/

The Limbs for Life Foundation is a global nonprofit organization dedicated to providing fully functional prosthetic care for individuals who cannot otherwise afford it and raising awareness of the challenges facing amputees. Our goal is to provide a financial bridge between low-income amputees and the quality prosthetic care needed to restore their lives. Since the foundation began in 1995, we have helped over 7,700 amputees obtain the prosthetic care that enabled them to move forward with their lives.
